Bonus Points
Aide Memoire For Captains and Scorers

A bonus point is allocated by the scorer at the time that they upload the cricHQ result at the end of the game by choosing from the drop down.

It is the responsibility of the scorer to allocate a bonus point where due to the appropriate team before submitting the result.

Only one Bonus point can be given in a game, where one of the four criteria are met.

No bonus point is awarded in a reduced over game.

If you are unsure do not upload the result until you have checked

Winning Team Bonus Point

One bonus point to a team dismissing their opponents in the second innings for less than 75% of their total.

Example: Team A scores 200-5, Team B scores 120 all out

Team A wins, bowls out Team B for less than 75%

Team A "Win + Bowling Point"

or

One bonus point for a team winning by 7 wickets or more

Example: Team A scores 200-5, Team B scores 201-3

Team B wins by 7 wickets

Team B "Win + Batting Point"

Losing Team Bonus Point

One bonus point for a team batting second who fail to equal or beat their opponents score but, score 75% or more of the total and have not been dismissed by the end of their innings.

Example: Team A scores 200-5, Team B scores 160-8

Team B Loses but scores 75% and not all out

Team B "Loss + Batting Point"

or

One point for a team taking 7 wickets in the second innings but losing the match.

Example: Team A scores 200-5, Team B scores 201-7

Team A Loses but takes 7 or more wickets

Team A "Loss + Bowling Point"
